

PEACE BEGINS...

(Excerpts from Family Evaluations)

"I liked the professional, caring staff, the enthusiasm on my child's face on Peacemakers mornings, the beautiful facilities and playground, the fact that children from suburban and urban areas attended, and the significant and important message delivered within fun activities."

"My child liked new friends, the 'library', singing, and signing, the guests from other countries and cultures, and the very creative projects."

"The program is not just a 'camp'. Our whole family benefitted from Peacemakers."

"The written information was informative and interesting. It was useful for discussion with my four year-old who doesn't always share her day. It was educational for me and I really appreciated the hints on raising my child as a peacemaker..."

"The picnic was wonderful. It was nice meeting other families and celebrating the children and peacemaking!"

PEACEMAKERS

PEACE DOESN'T JUST
HAPPEN; IT NEEDS TO BE
NOURISHED AND CARED
FOR...
Celebrating 29 years of
Peacemaking!

PEACEMAKERS IS SPONSORED BY
MOUNTAIN RISE
United Church of Christ

**Dear Parents/Guardians,
The Peacemakers Program,
which began in 1991, grew out
of a concern for the increase in
violence and apathy, both locally
and globally. The future-
YOUR children- calls us to
action!**

A Peacemaker is...

- * a person who knows and revels in his/her own uniqueness,
- * a person who accepts and is an ally to those who are different,
- * a person who chooses to resolve conflicts with peace and justice,
- * a member of the world community,
- * a person who plants the "seeds of peace" and works toward a "bountiful harvest".

**YOUR CHILD,
THE HOPE FOR TOMORROW!**

PROGRAM?

Through a multi-cultural emphasis, we will learn about ourselves, our feelings, our families, our abilities, and our connection to the world. With music, stories, creative activities, games, active and quiet play (inside and out), we will learn to accept others for their uniqueness and individuality. A family picnic is part of our program.
